

Extended Warranty and Service & Maintenance Agreements
For
Andrews Table System

Platinum Extended Warranty and Service & Maintenance Agreement

24 hour call out response, plus 2 scheduled Preventative Maintenance inspections per annum. The inspection covers a 65 point checklist. (Includes testing and any necessary adjustment and repair). A full report is made available following the inspection.
All labour and parts are covered during the period of cover with the exception of expendable normal wear items.

Cost per Table per year £3,672 ex VAT

Gold Service & Maintenance Agreement

48 hour call out response, plus one annual scheduled Preventative Maintenance inspection, including testing and any necessary adjustment and repair. A full report is made available following the inspection.
Labour is included but parts will be charged at UK list price less 15%

Cost per Table per year £2,344 ex VAT

Further Information

Should it be necessary to remove equipment from site loan equipment will be made available where possible. Payment should be made in advance.
For multiple table/year contracts discounts may be available by negotiation.
For equipment over 4 years old, where an existing contract is not held, an inspection of the equipment will be carried out prior to acceptance of the contract.

For further information please call 0845 450 0591.
