### Agreement "B" Standard

Annual charge for standard service agreement

@ .. .. 1732.00 PA

This maintenance agreement covers one annual calibration of the unit to the manufacturers specifications. THIS MUST BE TAKEN WITHIN ONE YEAR FROM DATE OF INVOICE AND IS NOT TRANSFERRABLE TO THE FOLLOWING YEAR. It is the hospitals responsibility to ensure that their unit is returned within the year specified

A loan unit will be provided to cover while the hospital unit is off-site for calibration. In the event of breakdown a loan replacement will be provided within 24 hours to cover while the hospital unit undergoes repair. Any spare parts required will be charged as extra at current prices.
